DATES

Sept. 27, Oct. 4 and 11, 2018, 9:30 a.m.-1:30 p.m.

OVERVIEW

Money is challenging to talk about, and crucial to all that we do! As people of faith, how do we begin to discuss it in knowledgeable and ethical ways? Drawing from Christian theology and social science, this course will provide ministry professionals with an understanding of the role of money in their work and in the world. Stay for chapel and lunch for more discussion with the leader. Weekly themes will be (1) Creation; (2) Fall; and (3) Redemption. Each session is independent of the others so you can attend one, two, or all three classes.
