Get Started Training Will Help Your Team

-  Learn the foundational building blocks for any Messy Church
-  Begin to consider how Messy Church could work in your context
-  Experience a "mini" Messy Church
-  Learn tips & tricks from an experienced Messy Church leader

Messy Church started in England 20 years ago as a fresh way of being church. For the past two decades, Messy Church has grown around the world and across the USA. We aren't connected to a particular denomination. Messy Church is an intergenerational model (liturgy) for gathering once a month that is easily adapted to a variety of contexts from small church to large, urban to suburban to rural and beyond.
